

*Transforming
lives for stronger
communities*

Welcome to Family Life!

Over 50 years ago Family Life was founded by a small group of volunteers and they continue to be at the heart of our organisation today. Volunteers are the welcoming smile at our community playgroups, the friendly conversation in our Op Shops and helping hand at our Distribution Centre.

It's these touchpoints that transform our community interactions into memorable moments where our community feels welcome and supported.

As well as helping form connections, each year we help thousands of local families through their hardest days. We wouldn't be able to do that without the army of volunteers in our stores, warehouse and community programs.

Thank you for joining us at Family Life and for choosing to make a difference - we truly appreciate it.
