Overview of Program

Family Life has been working with vulnerable children, families and communities since 1970. At the core of our organisation is our vision to build capable communities, strong families and thriving children.

As an organisation we celebrate diversity and inclusion. We value, respect, and listen to people who are culturally and/or linguistically diverse, gender and sexually diverse and people with a disability.

Family Life has multiple Community Opportunity Shops located across the Bayside region of Melbourne. These community-hubs are vibrant spaces, each shop playing an important role in the lives of the community of which they are a part.

The Family Life distribution centre supports the operations of the Community Opportunity Shops by storing goods, organising donation collections and delivery of goods. Family Life opportunity shops help raise funds for families, children and young people.
