

Baby Music Class

Family Life invites you and your children to come and share a creative musical experience in our Baby Music Classes!

Music classes in infancy and early childhood have been shown to improve cognitive and social development, and support positive relationships between children and caregivers.

The Early Childhood Education Baby Music Class was created for all children aged 0 - 5 years and is a fun, relaxed class designed to celebrate making music with your kids.

At Baby Music Class you will have fun dancing and singing, learn to play percussion instruments, and support healthy development through musical play.
