

Parent-Child Mother Goose®

Family Life invites you and your children to come along to the Parent-Child Mother Goose Program®.

Parent-Child Mother Goose® is an evidence-based program that strengthens attachment and interaction between caregivers and their young children 0 - 5 years, by introducing them to the pleasure and power of using rhymes, songs and oral stories together.

Cuddle – Communicate - Connect

- Enjoy learning rhymes, songs and oral stories together
- Strengthen your bond
- Improve your child's language, pre-literacy, and literacy skills
- Have some fun with your child

Parent Child Mother Goose is not running at the moment. Please check the Family Life website for updates.

Suitable for: Caregivers with children aged 0 - 5 years

Eligibility: Families residing within the Bayside Peninsula region
