

Community Together Theory of Change

Together, we create a community where everyone can live well, participate and belong

THE CONDITIONS FOR SUCCESS

SHARED PURPOSE

A commitment to work together to support all local children and families to live well in their local community

RELATIONAL TRUST AND CONNECTION

Put trust and relationship building first to support resident's sense of safety and create foundations for connection

COMMUNITY AGENCY

Lived and living experience, community voice and local leadership are valued, elevated and embedded through shared power, influence and decision-making

SHARED STEWARDSHIP

Resourcing and mechanisms to enable truly shared responsibility, risk and decision making

COLLECTIVE LEARNING & ACTION

Commitment to continuous learning, curiosity, and collective adaptation

RESPONSIVE SYSTEMS

Systems listen, respond and adapt to emerging community needs and align policies, practice and resources with community priorities

AS THESE CONDITIONS STRENGTHEN

CHILDREN AND FAMILIES CAN

Belong, participate, and feel hope for the future
Access support, relationships and opportunities
Navigate challenges with confidence and support

COMMUNITY CAN

Enhance trust and relational connection
Provide care and support for each other
Feel empowered to identify and design local solutions
Create environments where all children and families can reach their potential

SERVICE SYSTEMS CAN

Learn with and from community
Develop awareness of local strengths, needs and aspirations
Identify and invest in the conditions that support positive change

ENABLING

Children and families to achieve their full potential

Caring and more cohesive communities

Responsive systems that meet local needs and support local strengths to sustain change

SO THAT

Children, families and communities thrive now and into the future
